

Section 3 - External Auditor Report and Certificate 2022/23

In respect of **Thurlaston Parish Council**

1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor report 2022/23

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The announcement date provided on the Notice of Public Rights showed that the period was announced (published) on the same day as it commenced. This is contrary to the Accounts and Audit Regulations 2015, Part 15(3) which states this should be published no later than one day before the date of that commencement. In future the Council needs to provide a minimum of 1 day as notice prior to the commencement of the period of public rights. This should be considered when completing assertion 4 on the 2023-24 return.

The inspection period for the exercise of electors' rights does not include the first ten working days of July as specified in the Accounts and Audit Regulations, Part 15 (1). The council should consider this when completing their assertion 4 on the 2023-24 return.

Box 11a has not been completed on Section 2 Accounting Statements therefore the form has not been properly completed. Ensure all boxes are completed in future.

Other matters not affecting our opinion which we draw to the attention of the authority:

Incomplete information was provided with the initial supporting data submitted for review with regards to significant variances, when further explanations were requested, response was still insufficient. The parish council should in future ensure that all the necessary supporting information is provided with their annual submission.
