Dear Ms Allen,

Town and Country Planning Act 1990 Section 257
Diversion of part of Footpath R168y Northampton Lane, Rugby

Thank you for your letter of 15th September concerning the above PROW realignment.

Thurlaston Parish Councillors have considered the proposals and, given the presenting circumstances, we have no objection to the proposed changes.

Whilst a little pedantic we note that you describe the main issue as being about Station Farm house which is to be demolished. R168y primarily serves Station Farm Cottage. Interestingly as a resident I have never walked R168y as marked on the current PROW map – I have always followed the hedge row which I assume has become the declared route by custom and practice.

Yours sincerely,

Dr Keith Boardman
Chairman, Planning Subcommittee
