## 1. Overview

This publication scheme is based on the model published by the Information Commissioner's Office . Wherever possible Thurlaston Parish Council (TPC) publishes information on its website at <http://www.thurlaston-pc.gov.uk> . Information may be downloaded free of charge.

Agendas for public meetings are also posted as paper copies on the Village Noticeboard.

In exceptional circumstances certain information may only be available by viewing in person. Where this manner is specified, contact details will be provided. An appointment to view the information will be arranged within a reasonable timescale.

Requests for information in paper form may be arranged by contacting the Parish Clerk using email ([parish.clerk@thurlaston-pc.gov.uk](mailto:parish.clerk@thurlaston-pc.gov.uk)) or telephone 07785 936740. The Parish Council reserves the right to make a charge to cover overheads such as printing, packing and postage<sup>1</sup>.

Information held by TPC that is not published under this scheme can be requested in writing, when its provision will be considered in accordance with the provisions of the Freedom of Information Act.

## 2. The Publication Scheme

This publication scheme commits Thurlaston Parish Council to make information available to the public as part of its normal business activities. The information covered is included in the classes of information listed below, where this information is held by the Parish Council.

The scheme is a guide to the information that TPC routinely publishes. It is not a list of actual publications but rather a description of the classes or types of information published.

The scheme commits the Parish Council to:

- Publish or otherwise make available as a matter of routine, information, including environmental information, which is held by the authority and falls within the classifications below.
- Specify the information which is held by the authority and falls within the classifications below.
- Publish or otherwise make available as a matter of routine, information in line with the statements contained within this scheme.
- Produce and publish the methods by which the specific information is made routinely available so that it can be easily identified and accessed by members of the public.
- Review and update on a regular basis the information the authority makes available under this scheme.
- Produce a schedule of any fees charged for access to information which is made available.
- Make this publication scheme available to the public.
