

# Accessibility Statement for Thurlaston Parish Council

This website is run by Thurlaston Parish Council. We want as many people as possible to be able to use this website. For example, that means you should be able to:

- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We've also made the website text as simple as possible to understand.

## Technical information about this website's accessibility

Thurlaston Parish Council is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.

This website is currently partially compliant with the [Web Content Accessibility Guidelines version 2.1](#) AA standard, due to the non-compliances listed below.

There may be pages with read more / click here links. See [WCAG 2.4 Success Criterion 4.4](#) (Link Purpose (In Context)).

There may be some pages where HTML isn't perfectly formed, such as stray end tags. See [WCAG 2.1 success criterion 4.1.1](#) (Parsing).

Many of our older PDFs and Word documents don't meet accessibility standards - for example, they may not be structured so they're accessible to a screen reader. See [WCAG 2.1 success criterion 4.1.2](#) (name, role value).

Some images on the website pages may not have a text alternative, so the information on them isn't available to people using a screen reader. See [WCAG 2.1 success criterion 1.1.1](#) (non-text content).

We plan to add text alternatives for all images by September 2020. When we publish new content, we'll make sure our use of images meets accessibility standards.

This statement was prepared June 2020.
