Dear Sir/Madam,

**Re: Planning Application R19/0931
The Old Forge, Main Street, Thurlaston, CV23 9JS.
Listed building consent for replacement windows and changes to wall and drive.**

It was obvious from reading this application that a great deal of research had taken place about window replacement and this was confirmed when two members of the Planning Subcommittee met the home owner. We are satisfied that the proposed replacement windows and the changes to the wall and drive will be carried out sympathetically and consistently with the Grade II listing for this property. Thurlaston Parish Council is happy to approve this application.

Yours sincerely

Helen Creery.
Chair, Planning Subcommittee
