Dear Chris,

**Re: Planning Application R20/0347.
The Leyes, Church Lane, Thurlaston, Rugby CV23 9JY.**

The owner is to be commended for looking at ways to conserve energy whilst maintaining comfort within the building fabric.

We understand the proposed colour for the render is Cornish Cream, which is similar to colours that have been used elsewhere on Church Lane, and on this basis have no objection to the application.

Yours sincerely

Helen Creery.
Chair, Planning Subcommittee
