Dear Ms. Buchanan,

Re: Planning Application R20/0577.
Trevek, Church Lane, THURLASTON, Near Rugby CV 23 9JY
Conversion and alterations of existing double garage into an annex.

This application is for a property within the Conservation Area but does not alter the footprint of the house or garage. Replacement of a double garage door with two windows matching the house could be seen as an improvement.

The annex is complementary to the house and should always be treated as such.

The Planning Subcommittee has no objection to this application.

Yours sincerely

Helen Creery.
Chair, Planning Subcommittee
