Dear Ms Davies,

**Re: Planning Application R20/0789
Laburnum Lodge, Biggin Hall Lane, Thurlaston, Rugby CV23 9LD
Partial demolition of the original bungalow and rebuilding as a two-storey house.**

This application refers to structural problems with the walls of the original bungalow which were unable to support the increased height. The footprint of the original bungalow is unchanged.

The Planning Subcommittee of Thurlaston Parish Council has no objection to this retrospective application which refers to necessary works.

Yours sincerely

Helen Creery
Chair, Planning Subcommittee
