Dear Ms Davies,

Rugby Borough Council Planning Application R21/0468

Amended Plans/Information proposal at:

DUNSMORE HOUSE, COVENTRY ROAD, THURLASTON, RUGBY, CV23 9JR.

Conversion of existing garage to living accommodation, resurfacing the existing driveway and parking/turning area to the front of the property, with block paving, and formation of an outdoor terrace with privacy screening.

Thurlaston Parish Council has reviewed the above amended planning application (as submitted 11th June 2021) and has no objections to the proposed refurbishment of the existing mechanical workshop.

Whilst only indicative pictorial information has been submitted we have assumed that the façade of the refurbished building will be in line with that already deployed for the main house. This being the case the proposed conversion and ancillary landscaping will be acceptable and we have no objections to the application.

Yours sincerely,

Cllr Keith Boardman
Chairman, Planning Subcommittee
