Dear Sam,

Re: Planning Application R21/0617
Draycote Water Visitor Centre, Kites Hardwick, Warwickshire, CV23 8AB
For: The implementation of 2 freestanding entrance signs at Draycote water visitor centre

This document is Thurlaston Parish Council's (TPC) submission with regard to planning application R21/0617. The application is for the direct replacement of existing entrance signs using Severn Trent's new livery.

TPC does not have any issues with the proposed designs. Indeed the current sign states 'Welcome to Draycote' which is technically incorrect, whereas the proposed sign states 'Severn Trent Draycote Water'.

TPC has no objection to this proposal.

Yours sincerely,

Cllr Keith Boardman
Chairman, Planning Subcommittee
